Cross Country Courses

Cross country courses are designed and built by the owners, Tiffany and Rick Cyr. The flow of the track, the extra solid obstacles, new footing for excellent traction and comfortable landing—its all top-notch.

Chipper Kyle Farm

Chipper Kyle Farm is located between the Taconic and Green Mountain Ranges. Seventy acres of fabulous terrain, views of Vermont and a peaceful private setting are just a few of the amenities. There are trails and a dirt road for hacking or conditioning, dressage arena, show jumping field, and four complete cross country courses.

Although the farm's focus is on eventing, we welcome all disciplines. Both serious riders in training and those who ride for pleasure or partnership will find a visit worth their while.

CKF hosts horse trials, shows and clinics from mid-June through October. Instruction is available during these months. Horses or ponies can also be booked for training Summer and Fall. Any breed, any size, any level. Boarders will be accepted in 2007.

At present there are 54 fences, and plans are ready for the construction of a Preliminary course. The facility is open for schooling by appointment June through November, weather permitting. On occasion, on-farm leases are available, and ponies are for hire.

Jump Sales

We custom build portable cross country jumps and show jumps for purchase. Visit our website for prices and pictures.

Facilities

We are Pony Club-, 4-H- and instructor-friendly. Please contact us if you are interested in using CKF grounds for fundraising events, clinics or rallies.

Your training experiences here will bring partnership with your horse to new frontiers and create memories that last a lifetime.

Lessons

Owner/Trainer Tiffany Cyr conducts all lessons at CKF. She has 35 years of experience riding and competing in various disciplines—eventing, dressage, hunters, jumpers and equitation. Consult our website for lesson fees www.chipperkylefarm.net.
